ABOUT ME

Motivated and forward thinking professional with a strong foundation in Media, Communication and Journalism with extensive experience as a broadcast journalist, newsroom editor and news presenter, seeking admission to a Master's program in any internationally recognized university in abroad. My objective is to enhance my expertise in communication, media, international relation and interdisciplinary studies within a globally diverse academic environment, while contributing my analytical, research, and cross-cultural communication skills. I aspire to leverage advanced knowledge and research opportunities to address contemporary challenges in media, communication and community engagement, ultimately fostering impact contribution in academia, professional practice, and society.
